

HOUSING OPPORTUNITY!

Would you like to be worry-free about housing costs?

Would you like to gain valuable experience working with homeless young adults or parenting adolescents?

Bill Wilson Center is a local non-profit serving children youth and families in Santa Clara County since 1973. We have immediate opportunities available for volunteer House Monitors for our Transitional Housing Placement Program (THPP) and Transitional Housing Program (THP). The House Monitor receives a free room in our transitional home in exchange for monitoring parenting adolescents and young adult clients who are living in the home.

If you are interested or would like more information about this great volunteer opportunity, please contact:
