CURRENT HOUSING NEED: _____

Our definition of homelessness includes youth up to age 24 who lack a fixed, regular, and adequate nighttime residence. This definition includes children and youth who are: sharing the housing of others due to loss of housing, economic hardship, or a similar reason; living in shelters, transitional housing, or cars; and staying in motels or campgrounds due to lack of adequate alternative accommodations. You do not need to be living on the street to be considered unhoused or homeless.
